

COMP5338 – Advanced Data Models

Week 12 Exam Information

Dr. Ying Zhou
School of Computer Science

THE UNIVERSITY OF
SYDNEY

Exam Format

- Online open book two-hour exam
 - ▶ There is an extra reading time of 10 minutes
 - ▶ Conducted in Canvas as **Canvas Quiz**
 - ▶ On a separate Canvas site called “Final Exam of COMP5338”
 - ▶ You will be added to the site no later than a week before your exam
- Exam questions types
 - ▶ Multiple choice questions
 - Single correct answer
 - The total points of MCQ are less than 30% of the exam total points
 - ▶ Short answer questions
 - Many are structured into multiple parts.
 - Type your answers in the text field provided in the exam paper
 - Label answer with question part
- The final exam has a 100 points in total
- The final exam has a 40% barrier
 - ▶ **You need to get at least 40 of 100 points in the final exam to pass this subject**

Final Exam Setting

- There are some buffer time
 - ▶ You will see how much buffer time you get once you are added to the exam canvas site
 - ▶ You may start a little then the start time and still get the full time to finish the exam
- All questions will be presented at once
 - ▶ You can read the questions and decide the order to attempt them
- Questions are randomized
 - ▶ Different students will get different sets of questions
 - ▶ MCQ's options are randomized
- You can only attempt the exam once
 - ▶ Your attempt will be submitted if the time is up or after you click the submit button at the end
 - ▶ Once submitted, you cannot re-attempt the exam

Exam Content

- Assessable:
 - ▶ Lecture content
 - All weeks
 - ▶ Tutorial material
 - All weeks
 - ▶ Assignments
- There are conceptual and practical scenario based questions
- You should expect questions involving MongoDB and Neo4j queries
 - ▶ Understand the intention and execution plan of a given query
 - ▶ Write query(queries) to implement a workload

Practice Quiz

- A set of practice questions organized in similar format as the final exam will be released in the course Canvas site this week.
- The practice questions DO NOT reflect the content coverage and distribution of the final exam
- They DO NOT reflect the difficult level of the final exam
- You can attempt the practice quiz multiple times
- You will see the answers to MCQ questions once submitted
- We will only provide reference solutions to some short answer questions.
 - ▶ OK to discuss (alternative) solutions on Ed

Special Consideration

- University guideline for special consideration
 - ▶ <https://www.sydney.edu.au/students/special-consideration.html>
 - ▶ Make sure you check eligibility, applying time window and steps
- Replacement exam period

Change to Semester 2 replacement exam period dates

We have changed the dates for the Semester 2 replacement exam period. Replacement exams will be held from 11 January to 14 January 2021. If you are approved to sit a [replacement exam](#) for a Semester 2 unit of study, you will need to make sure you are available on these dates.

THANK YOU !
ALL THE BEST IN YOUR EXAM!
